### **RecycleBranson Now on Facebook and Twitter**

Citizens who prefer an online recycling experience can now find information on Facebook and Twitter @recyclebranson. A new logo accompanies the outreach efforts.

@Recyclebranson Facebook and Twitter pages provide an easy way to keep in touch with all the latest recycling news and updates in the Branson area.

"We were finding that the younger generation prefers to search for recycling information using social media sites," said Mona Menezes, Branson's environmental specialist. "Our new Facebook and Twitter pages have interactive videos, maps and the latest updates on recycle choices including the new 'on-the-go recycle kiosks' plus how, where and when to recycle."

Branson's recycle kiosks at local Country Marts often rank in the top five in the nation for the amount of recycling they attract, according to Menezes.
